

Massage Green Spa is currently seeking a professional, enthusiastic Massage Therapist who enjoys helping people and can effectively communicate the benefits of wellness, as provided by our products and services, to our clients.

Massage Green Spa is a fast-growing wellness franchise that specializes in providing superior service to our members and clients – at very affordable rates. Our mission is to educate the general population on the extraordinary healing benefits of massage, facial and infrared sauna therapy and to help our clients integrate massage, sauna and facials into their regular health and wellness routines.

Kalamazoo and Battle Creek Massage Green spa locations, gives new therapists the ability to build up their clientele easily.

We are looking for a top quality Massage Therapist to join our team in.

Our therapists earn money while in service or waiting on clients. If you're working, you're getting paid.
